CONGRATULATIONS ON YOUR ENGAGEMENT AND THANK YOU
FOR CONSIDERING RENVYLE HOUSE HOTEL & RESORT
FOR YOUR SPECIAL DAY.

"My house . . . stands on a lake, but it stands also on the sea - waterlilies meet the golden seaweed. It is as if, in the faery land of Connemara at the extreme end of Europe, the incongruous flowed together at last, and the sweet and the bitter blended. Behind me, islands and mountainous mainland share in a final reconciliation, at this, the world's end."

This was how Oliver St John Gogarty described his new summer residence, Renvyle House, purchased in 1917. Later that year W.B. Yeats and his bride George came to Renvyle House on their honeymoon.

It is still a magical place set on a 150 acre estate on the edge of the Atlantic Ocean, nestled between the mountains and the sea. A warm welcome awaits you along with cosy turf fires and helpful staff. The grounds include a private freshwater lake, a beach on the Atlantic, woodlands, kitchen gardens, orchards and many leisure activities. An award winning hotel for food and hospitality and a place where special memories are made.
